Mr. Kurt McCloud  
2305 Juleston Dr.  
Santa Maria, CA 93458

Dear Mr. McCloud:

The Santa Maria Police Department has received your application for a concealed weapon permit. Upon reviewing your application, it is my decision that you have not provided good cause for the issuance of the license. Specifically, there is not enough convincing evidence of a clear and present danger to life or of great bodily harm which cannot be adequately dealt with by existing law enforcement resources. Therefore, your request cannot be approved.

The California weapon laws do not prohibit you from having a loaded weapon at your place of business, or in your residence without a permit. You have the right to have a loaded weapon in areas not open to the public, in order to protect your safety.

If there are any other facts that you would like to present that may support the issuance of a permit on the above mentioned basis, do not hesitate to re-submit an application.

Sincerely,

DANNY R. MACAGNI  
Chief of Police
